

**Travelling**  
**KS3 and 4**  
**Friday - Art and Crafts**

Look at these pictures. They are very popular at the moment. The artists are using a mixture of colour and black and white to make the bus stand out.

You are going to do something similar. Choose a method of transport (not a bus) and create your own picture inspired by these. It should have a black and white background but a coloured vehicle. You can have your scene anywhere that fits with the vehicle and the vehicle can be any colour.
