Friday 9th August	1-3pm	Calculating with Fractions	Friday 30th August	1-3pm	11+ Workshop (Topic TBC)

Full Set of Mock Tests - These sessions are designed to as closely as possible replicate the conditions of the 11+ test in full.

Topic TBC - Some of our workshops have been created to allow us to meet specific requests. If you are interested in a particular session but cannot make the date specified please contact us.

Lunch Sessions - For students attending both am and pm sessions we are offering to provide a supervised lunch break. This is an additional £5 and will include access to an outdoors playing environment (weather depending) or appropriate indoor activities. Due to individual dietary needs, lunches are not provided so you will need to bring pack lunches. Water and fruit squash will be freely available.

Feedback - Feedback and completed test scripts will be provided shortly after mock tests either by email or at subsequent sessions if booked. Feedback is not generally provided for workshop sessions, however we can address individual requests where appropriate.

To book a session please call 07732264001 (you may need to leave a message but we will get back to you) or email perfectplustutoring@outlook.com
