

Travelling
KS2
Wednesday - Maths

Here is a map.

First label your axis.

Draw these objects on your map, mark the coordinate with a cross and label it eg (2,0)

- Message in a bottle (11,8)
- A sea monster (- 12, - 7)
- Telescope (4,3)
- Parrot (- 9, 7)
- Whirlpool (10,-9)
- Spade (-1,-2)
- Anchor (-11,0)

Your map must also have:

- 3 Palm trees
- 2 sharks
- A pirate ship
- A Pirate
- A treasure chest
- X marks the spot (location of some treasure?)
- A lighthouse

It is up to you where they are but remember to mark on their coordinates!
