Thursday - English

Imagine you have been on holiday. Or you can remember a holiday that you have been on.

You are going to write a review of your holiday.

It can be a good or a bad holiday.

Remember to include:

- What happened to make it good/bad?
- What was the hotel like?
- What did you do?
- What was the food like?
- Any recommendations for other people who go there?
- Would you go again?

Here is an example:

Copacabana Palace Hotel by Orient-Express: Traveler Reviews

The best Holiday Ever!

Old Copa continues to be the best hotel in Rio de Janeiro and its five-star rating is due not only to its fantastic swimming pools, great room sizes, beautiful bedrooms, plush towels, and amazing amenities - but also to the fantastic service. I dare say that no other hotel in Brazil has the same standard of attention and care to the guests' needs. This is definitely the best hotel in Brazil, so if you can afford it, don't think twice.

Negative things about the hotel

The worst things about this hotel were the entertainment staff. The singer can't sing, the dancers can't dance and the comedians are not funny. If you go here, I would recommend taking a pack of cards or some games and making your own entertainment.

There is plenty to do here for the kids as the kids club is fantastic, but if you're old like me, I wouldn't recommend coming here for the entertainment.

Good things about the hotel

The best things about this hotel were the breakfasts! And I mean WOW! There were plenty of choices, for example, 2 choices of eggs, usually scrambled eggs or fried eggs and a daily choice of your regular full English breakfast. There were lots of fruit and breads to choose from and we made daily use of the George Foreman grill to make panini's. The offer of Champagne each morning was a lovely touch even though we declined as it was a little early for us. The lady on reception always had a smile on her face and even greeted us in English which was lovely and appreciated.

Tips for people who decide to go here.

- Take plenty of spending money as it is expensive!
- Ask for extra towels as they will allow you to have more!
- Don't go to the entertainment as it is boring.
- Get down early for breakfast to have the best choice.
- Book your dinner in advance as it gets very busy.

You can write your own or use the template on the next pages.
