Count

How many objects can you see?

Stars

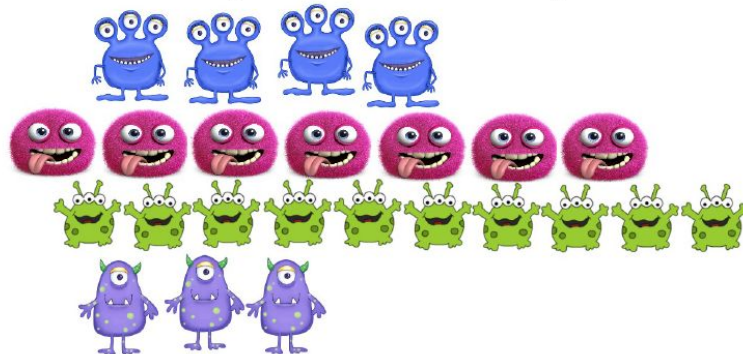

Earths

Aliens

Rockets

Count

How many aliens are there **altogether**?

If we **halved** the amount of green aliens, how many green aliens would there be?

If we **doubled** the amount of pink aliens, how many pink aliens would there be?

Count

Can you fill in the missing numbers? *What do you notice?*

$3 + _ = 10$

$4 + 6 = _$

$8 + 2 = _$

$9 + _ = 10$

$5 + 5 = _$

$10 + _ = 10$
