Friday - Art

Today is an art day.

You are going to be attempting to draw fruit like in a still life.

Many artists over the years have painted fruit such as:

Fruit can be very difficult to depict due to its round shape. You are going to be trying to add shading to your fruit to make it seem more realistic.

Watch this video of how to draw an apple.

You must try to draw 2 different pieces of fruit making them as realistic as possible. You may like to do an apple like in the video you have just watched. Then choose another fruit.

If you are confident in drawing this you may want to try doing a black and white pencil drawing such as the ones in this video:
