

Environmental Friends
KS3 and KS4
Tuesday - Humanities

Watch this video about orangutans.

<https://www.youtube.com/watch?v=zEYnAxGAJrA>

Why are orangutans endangered?

What are they doing in the video to help orangutans?

Why is it important to preserve endangered species?

Create a poster about another endangered species. Your poster must include:

- Information about the species.
- Why it is endangered.
- The importance of preserving the animal.
- How people are trying to protect the species.
- You will need to research and choose a species.
